RE: 2019 Electric Bucket Truck Bid

DT: 4/16/18

The City of Seaford received three bids for a new Bucket Truck.

<th>Total Cost</th>
<th>Trade In</th>
<th>Total Cost with Trade-In</th>
</tr>
</thead>
<tbody>
<tr>
<td>Altec</td>
<td>$211,109.00</td>

<tr>
<td>Versalift East, LLC</td>
<td>$210,645.00</td>
<td>$8,500.00</td>
<td>$202,145.00</td>
</tr>
</tbody>
</table>

*Altech bid states $5,462 for 5 year warranty

*Terex bid states a $4,247 steel charge

All bids met the requirements of the bid specifications. Terex has a steel charge that makes their total cost $215,061. After reviewing the bids, I would recommend the bid being awarded to the second lowest bidder (Altec) in the amount of $211,109.00.

This recommendation is based on the fact that the Altec unit has a horizontal reach of 43.1’ and the Versalift unit has a horizontal reach of 36’2”. This 7’ difference in horizontal reach is very important to us when we have to reach across ditches, fence lines and in the substations.

I would recommend putting the old truck out for bid before the scheduled delivery of the new truck with a minimum bid of $8,500. If no bids are received then I would recommend trading it in when the new truck is delivered.

Thank you for your consideration and if you have any questions, please contact me.

RE: Nutter Park Swing Set Bid

DT: April 18, 2018

The City received one bid for the above referenced project. Please see the below table:

<td>$2,264.00</td>
<td>$2,284.00</td>
<td>$8,012.00</td>

</tbody>
</table>

It is my recommendation that the bid be awarded to Liberty Parks, in the amount of $8,012. This swing set is a 3½ arch swing with slash-proof seats and the base will be recycled Miracle timbers. This project will be funded by the ORPT Grant17-174, with a 50% City match.

Please present this information to Council at their meeting on April 24, 2018 for their consideration.

Should you have any questions, please contact me.

Thank you.
